**NOTICE**

**ALL LOCATIONS PLEASE POST**

The Springfield Water and Sewer Commission is considering a **Health, Safety and Security Manager** position.

Responsibilities include managing all occupational health, hazard compliance/mitigation, risk assessment, safety trainings/recommendations, maintenance of a health and safety plan, facility and staff security, as well as emergency response for a staff of 250 employees.

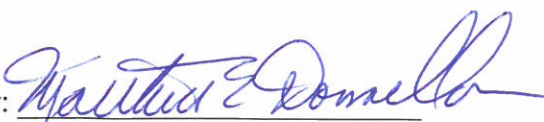

Qualified candidates must satisfy the following requirements:

- BS degree in a related field and a minimum of 4 years of occupational safety experience. Previous experience in the drinking water and/or wastewater industry or other utility experience is a plus.
- Experience developing health and safety plans, training programs, and risk assessments.
- Demonstrated knowledge of confined space and construction safety compliance including but not limited to strong working knowledge of 29 CFR 1926 subpart B.
- Excellent written and oral communication skills.

Resumes from qualified candidates will be accepted from October 5, 2017 to October 13, 2017. Please submit a cover letter describing your interest and qualifications for the position and a resume highlighting relevant work experience. All materials should be submitted as a single pdf document and emailed to [matthew.donnellan@waterandsewer.org](mailto:matthew.donnellan@waterandsewer.org).

The Springfield Water and Sewer Commission is an AA/EOE.

Very Truly Yours,  
Springfield Water and Sewer Commission
