

**SPRINGFIELD WATER AND SEWER COMMISSION
P.O. BOX 995, SPRINGFIELD, MA 01101**

Date of Issuance: August 14, 2014

Contacts: Joyce Mulvaney, Public Communications Manager
Springfield Water and Sewer Commission
413-787-6256 ext. 182; 413-262-4957

FOR IMMEDIATE RELEASE

Mandatory Water Restriction Effective Immediately

The Springfield Water and Sewer Commission shut down a 60-inch transmission main for emergency repair. The transmission main delivers water from Provin Mountain Reservoir to the City of Springfield and surrounding communities.

As a result, the Commission is instituting a mandatory water restriction for the following communities:

- Springfield
- Longmeadow
- East Longmeadow
- Agawam
- Ludlow

As a part of the mandatory water restriction, customers should refrain from all outdoor watering activities, and be conscientious of non-essential water use.

Customers are likely to see a drop in water pressure while repairs are ongoing. This issue does not impact water quality - the water is safe to drink.

The Commission will update the public with additional information as soon as it's available.
