FOR IMMEDIATE RELEASE

**Water and Sewer Pipe Replacement Project and Traffic Information:
Westminster Street, Springfield, MA**

On behalf of the Springfield Water and Sewer Commission, private contractors will replace sewer and water pipes within Westminster Street from Saint James Avenue to Bay Street. Construction is scheduled to begin the week of September 2, 2014. Typical construction hours will be Monday through Friday from 7:00AM to 4:00PM.

Due to the nature of this work, changes to traffic patterns and traffic delays are expected. Westminster Street will be reduced to a single lane with alternating traffic flow. Traffic will be managed with posted signs and police details.

The proposed work consists of replacing approximately 800 feet of water main pipe and approximately 800 feet of sewer main pipe. Final paving and site restoration will be completed in the spring of 2015.

We appreciate the patience of drivers and residents while this work is being performed. Please contact the Springfield Water and Sewer Commission at 413-787-6206 with questions regarding this project.

END
