**FOR IMMEDIATE RELEASE**

**Water and Sewer Pipe Replacement Projects and Traffic Information:  
Two locations in Springfield, MA – Cross Street and Central Street**

On behalf of the Springfield Water and Sewer Commission, private contractors will replace sewer and water pipes at two separate locations in Springfield, on Cross Street and Central Street. Construction is scheduled to begin the week of November 24, 2014. Typical construction hours will be Monday through Friday from 7:00AM to 4:00PM. No work will be performed on Thursday or Friday of next week due to the Thanksgiving holiday.

**Cross Street from Willow Street to Main Street**

**TRAFFIC INFO:** Main Street at the intersection of Cross Street will be reduced to a single lane with alternating traffic flow. Cross Street will be open to local traffic only. Due to the nature of this work, changes to traffic patterns and traffic delays are expected. Traffic will be managed with posted traffic signs and police details.

**WORK BEING PERFORMED:** The proposed work consists of replacing approximately 400 feet of sewer main pipe. Final paving and site restoration will be completed in the spring of 2015.

**Central Street from Maple Street to Madison Avenue**

**TRAFFIC INFO:** Both lanes of Central Street will remain open while work is ongoing. Due to the nature of this work, changes to traffic patterns and traffic delays are expected. Traffic will be managed with posted signs and police details.

**SPRINGFIELD WATER AND SEWER COMMISSION  
P.O. BOX 995, SPRINGFIELD, MA 01101**

WORK BEING PERFORMED: The proposed work consists of replacing approximately 1,000 feet of water main pipe. Final paving and site restoration will be completed in the spring of 2015.

We appreciate the patience of drivers and residents while this work is being performed. Please contact the Springfield Water and Sewer Commission at 413-787-6206 with questions regarding these projects.

**END**
