**FOR IMMEDIATE RELEASE**

**Final Paving and Traffic Information**

**Walnut Street, Springfield, MA**

On behalf of the Springfield Water and Sewer Commission, private contractors will install final paving on Walnut Street from Queen Street to State Street to complete last year's sewer pipe replacement project. Work is scheduled to begin on April 13, 2015, and is anticipated to take approximately one week to complete (weather permitting). Typical construction hours will be Monday through Friday from 7:00AM to 4:00PM.

Due to the nature of this work, changes to traffic patterns and traffic delays are expected. Walnut Street will be reduced to a single lane with alternating traffic flow. Traffic will be managed with posted signs and police details. Drivers are encouraged to seek alternate routes when possible.

We appreciate the patience of drivers and residents while this work is being performed. Please contact the Springfield Water and Sewer Commission at 413-310-3501 with questions regarding this project.

**END**
