**FOR IMMEDIATE RELEASE**

**Water and Sewer Pipe Replacement Projects and Traffic Information**

**Two Locations: Norwood Street and Central Street**

On behalf of the Springfield Water and Sewer Commission, private contractors will replace sewer and water pipes at two separate locations in Springfield, on Norwood Street and Central Street. Construction is scheduled to begin the week of April 27, 2014. Typical construction hours will be Monday through Friday from 7:00AM to 4:00PM. Due to the nature of this work, changes to traffic patterns and traffic delays are expected.

**Norwood Street from Main Street to East Columbus Avenue**

**TRAFFIC INFO:** Norwood Street will be reduced to a single lane with alternating traffic flow. Two lanes of traffic will be maintained on East Columbus Avenue, but lane shifts are expected.

**WORK BEING PERFORMED:** The proposed work consists of replacing approximately 300 feet of sewer main pipe. Work will continue through the end of June 2015.

**Central Street from Maple Street to Madison Avenue**

**TRAFFIC INFO:** Both lanes of Central Street will remain open while work is ongoing, but lane shifts are expected.

**WORK BEING PERFORMED:** The proposed work is the continuation of a project to replace approximately 1,000 feet of water main pipe. Work will continue through mid-summer.

**SPRINGFIELD WATER AND SEWER COMMISSION  
P.O. BOX 995, SPRINGFIELD, MA 01101**

Traffic will be managed with posted signs and police details. Drivers are encouraged to seek alternate routes when possible.

We appreciate the patience of drivers and residents while this work is being performed. Please contact the Springfield Water and Sewer Commission at 413-310-3501 with questions regarding this project.
