FOR IMMEDIATE RELEASE

**Sewer Pipe Repair Project
Pendleton Avenue, Springfield, MA**

On behalf of the Springfield Water and Sewer Commission, private contractors will repair sewer pipes within Pendleton Avenue between Hancock Street and Eastern Avenue. Construction is scheduled to begin the week of October 26, 2015 and continue for approximately one week. Final paving and site restoration will be completed in the spring of 2016. Typical construction hours will be Monday through Friday from 7:00AM to 4:00PM.

Due to the nature of this work, changes to traffic patterns and traffic delays are expected. Pendleton Avenue will be closed to through traffic, but will be accessible to local and emergency response traffic. Through traffic will be detoured onto King Street, which connects Hancock Street and Eastern Avenue. Traffic will be managed with posted signs and police details. Drivers are encouraged to seek alternate routes when possible.

We appreciate the patience of drivers and residents while this work is being performed. Please contact the Springfield Water and Sewer Commission at 413-310-3501 with questions regarding this project.
