FOR IMMEDIATE RELEASE

**Water Pipe Improvement Project and Traffic Information
Pendleton Avenue, Springfield, MA**

On behalf of the Springfield Water and Sewer Commission, private contractors will continue work to replace water pipes within Pendleton Avenue from Hancock Street to Eastern Avenue as part of this year's Infrastructure Improvements Project. This phase of construction is scheduled to begin on Monday, October 24, 2016 and continue for approximately one week. Typical construction hours will be Monday through Friday from 7:00AM to 4:00PM.

Due to the nature of this work, changes to traffic patterns and traffic delays are expected. Pendleton Avenue from Hancock Street to Eastern Avenue will be closed to through traffic. Westbound traffic will be detoured onto Tyler Street. Eastbound traffic will be detoured onto King Street. Hancock Street at the intersection of Pendleton Avenue will be reduced to a single lane with alternating traffic flow. Traffic will be managed with posted signs and police details. Drivers are encouraged to seek alternate routes when possible.

We appreciate the patience of drivers and residents while this work is being performed. Please contact the Springfield Water and Sewer Commission at 413-310-3501 with questions regarding this project.

About the Infrastructure Improvements Project:

**SPRINGFIELD WATER AND SEWER COMMISSION
P.O. BOX 995, SPRINGFIELD, MA 01101**

The described work is part of this year's Infrastructure Improvements Project. On behalf of the Commission, private contractors will be performing water and sewer system upgrades at multiple locations within the City of Springfield. The project consists of replacing approximately 3,700 feet of sewer main pipe and approximately 7,400 feet of water main pipe, rehabilitation of approximately 6,300 feet of sewer main pipe, and replacement or rehabilitation of approximately 50 manholes. A map and list of all the locations where work will be performed may be found on our website:
