FOR IMMEDIATE RELEASE

**Trench Restoration Work and Traffic Information
Alden Street between Eastern Avenue and Hancock Street
and
Dearborn Street near the intersection with State Street
Springfield, MA**

On behalf of the Springfield Water and Sewer Commission, Baltazar Contractors, Inc. will complete trench surface restorations within Alden Street and Dearborn Street. Construction is scheduled to begin April 18, 2018, and continue for approximately one month. Typical construction hours are Monday through Friday from 7:00 AM to 4:00 PM.

Due to the nature of this work, changes to traffic patterns and traffic delays are expected. Alden Street, between Hancock Street and Eastern Avenue, and Dearborn Street, near the intersection with State Street, will be reduced to a single lane alternating traffic pattern during construction hours. Local traffic and access will be managed with posted signs and police details.

These water pipe trench surface restorations will permanently restore temporarily patched trench areas previously created within the streets and on sidewalks during a water pipe replacement project in the fall of 2017.

**SPRINGFIELD WATER AND SEWER COMMISSION
P.O. BOX 995, SPRINGFIELD, MA 01101**

The Commission appreciates the patience of drivers, pedestrians, residents, and businesses while this important work is being performed. Please contact the Springfield Water and Sewer Commission at 413-310-3501 with questions regarding this project.
