

# SPRINGFIELD WATER AND SEWER COMMISSION

## Scholarship Application

*For Concepts and Practices of Basic Drinking Water Treatment* on-line training course offered through Springfield Technical Community College.

Spring 2021 Session

**COURSE INFORMATION:** *Concepts and Practices of Basic Drinking Water Treatment* online training course was developed by Springfield Technical Community College and the Massachusetts Water Works Association with support from the Commission. The course prepares students to sit for the Treatment 2 (T2) water treatment state licensing exam.

**SCHOLARSHIP INFORMATION:** The scholarship covers the \$829 tuition and cost of books (approximately \$139). The Commission will select three recipients.

**APPLICANT CRITERIA:** Scholarship applicants must be current residents of Hampden, Hampshire, Franklin, and Berkshire Counties, with preference given to Hampden County residents. (Matriculated Massachusetts community college students are not eligible as the course is already offered to them free of charge. Non-matriculated community college students are eligible.) Complete scholarship information and eligibility requirements are available on the Commission's website: <https://waterandsewer.org/scholarships/>. All interested applicants should carefully review the scholarship information before applying.

**INSTRUCTIONS:** Review all directions and criteria. Complete the entire application form and submit with supporting documentation to the Commission, by email at [admin.mgr@waterandsewer.org](mailto:admin.mgr@waterandsewer.org), no later than close of business on January 6, 2021. Late or incomplete applications will not be accepted.

## PREVIOUS WORK EXPERIENCE

Attach your current resume or use the space provided below to describe your previous work experience.

## ESSAY

*Please use the space provided below to answer the essay prompt or attach a typed response.  
Two page maximum.*

**ESSAY PROMPT:** Describe your interest in enrolling in the basic drinking water treatment course, and your desire to begin a career in the water sector. In your essay please explain the following:

- Why you would like to enroll in the *Concepts and Practices of Basic Drinking Water Treatment* training course.
- How this scholarship will help you in successfully completing the course.
- What interests you about pursuing a career in the water industry.

ESSAY CONTINUED

## APPLICATION PROCESSING

Submit your completed application, including any attachments and supporting documents, to the Springfield Water and Sewer Commission via email [admin.mgr@waterandsewer.org](mailto:admin.mgr@waterandsewer.org).

Due to recent mail delays, application submission by email is strongly encouraged. Mailed applications will be accepted, however, please note that completed application forms must be received by the Commission by the application deadline. The address for mailing applications is Springfield Water and Sewer Commission, PO Box 995, Springfield MA 01101-0995 ATTN: Human Resources Manager.

Completed applications must be received **no later than 5:00 PM on Wednesday, January 6, 2021** to be considered for the scholarship opportunity. Incomplete applications will not be processed. Applicants will be notified by Friday, January 8, 2021 if they have been selected to receive the scholarship.
