Indemnity Form

The Commission Approved Contractor (Installer) shall save and hold harmless, indemnify and defend the Springfield Water and Sewer Commission, its directors, officers, agents and employees from and against the following:

1. Any Liability, claim, suit, cost, loss, expense, fine, or damage of any kind allegedly suffered, incurred or threatened, either directly or through a third party, arising from the construction or installation of the Work including personal injury; death; property damage; inverse condemnation; patent and/or copyright infringement; damages arising from disputes as to licensing fees or the ownership of any land associated with the matters covered by this Agreement, any and all damages arising from the imposition of regulatory fines imposed for the violation of local ordinances, administrative regulations, or the like, in connection with the Work; or any combination of these, and regardless of whether or not such liability, claim, suit, cost, loss, expense, fine, or damage was unforeseeable at any time before acceptance of the improvements as completed, and including the defense of any suit(s), or other proceeding(s) concerning same.

2. The indemnification shall extend to and include any act or omission (negligent or no negligent) in connection with the matters covered by this Permit and attributable to the Owner, contractor, subcontractor, material supplier, or any officer, agent or employee of one or more of them, including, but not limited to, actions related to the construction, testing and connection of the Work and the ownership or use of real property.

3. Non-conditions: The covenants set forth in this Section are not conditioned or dependent on whether or not the Springfield Water & Sewer Commission has prepared, supplied, accepted, or approved any plan(s) or specification(s) in connection with this Work or has insurance or other indemnification covering any of these matters.

Approved Contractor Safety Assurance Form**

By signing this form, your company agrees to the following:

1. To abide by MGL chapter 82 sections 40 thru 40D also known as the Digsafe Law.
2. To call SWSC for markout of Commission Facilities after calling Digsafe.
3. To abide by MGL Ch. 82A sec. 1 also known as "Jackies Law".
4. To have all equipment operators licensed by the MA Department of Public Safety.
5. To ensure that ALL employees of the Company engaged in excavations have read and are familiar with Federal Safety Standards promulgated by OSHA on excavations: 29 CFR 1926, Subpart P "Excavations".

Failure to comply with the above requirements may result in the removal from the SWSC Approved Contractor List.
