

Scholarship Application

Concepts and Practices of Basic Drinking Water Treatment
Fall 2022 Session

COURSE INFORMATION:

Concepts and Practices of Basic Drinking Water Treatment

Course offered by Massachusetts Water Works Association (MWWA)

Tuesdays, 8:30 AM – 12:00 PM via Zoom

October 4, 2022 – December 20, 2022

Course prepares students to sit for the Treatment 2 (T2) water treatment state licensing exam (required to work as a licensed water operator).

SCHOLARSHIP INFORMATION: The scholarship covers the \$900 tuition and cost of books (approximately \$200). The Commission will select up three recipients per session/semester.

APPLICANT CRITERIA: Scholarship applicants must be current residents of Hampden, Hampshire, Franklin, and Berkshire Counties, with preference given to Hampden County residents. (Matriculated Massachusetts community college students are not eligible as the course is already offered to them free of charge. Non-matriculated community college students are eligible.) Complete scholarship information and eligibility requirements are available on the Commission's website: <https://waterandsewer.org/scholarships/>. All interested applicants should carefully review the scholarship information before applying.

INSTRUCTIONS: Review all directions and criteria. Complete the entire application form and submit with supporting documentation to the Commission, by email at info@waterandsewer.org, no later than close of business on **September 2, 2022**. Late or incomplete applications will not be accepted.
