### **Job Advertisement for Labor Positions for Meters Department based in Springfield, MA Application deadline March 26, 2023**

The Springfield Water and Sewer Commission seeks qualified applicants for labor positions to work out of its Colton Street facility in Springfield in the Meters department.

This work involves traveling throughout the Commission's service area and often working independently under the direction of a supervisor. Typical duties include, but are not limited to, reading, inspecting, and inventorying meters as well as investigating leaks and servicing shut-offs and turn-ons.

The successful applicant must be able to work first shift and second shift as needed.

Applicants must possess a valid driver's license.

Candidates who are offered positions will be required to complete pre-employment criminal background check, pre-employment physical, and pre-employment drug test. Employment offers are conditioned on the applicant's ability to satisfy the Commission's requirements with regard to pre-employment screening.

Applicants must be able to:

- lift up to 90# as needed
- work in all weather conditions as well as inside buildings and private residences
- interact in an effective, respectful, and professional manner with the public
- use computers as part of their regular work duties
- operate hand tools and construction related equipment safely and effectively

Preferred skills:

- CDL A/B license with tanker endorsement preferred
- Hoisting license preferred

This is a non-exempt position with some overtime. Candidates must be available for on-call rotation as needed including nights and weekends. Starting hourly rate is \$18.85 to \$22.11. Hourly rate will increase on July 1, 2023. Promotional opportunities are regularly available. This is a full-time 40 hour/week position with paid sick and vacation time.

To apply, please submit your resume and cover letter to [admin.mgr@waterandsewer.org](mailto:admin.mgr@waterandsewer.org).
