FOR IMMEDIATE RELEASE

Sewer Pipe Improvement Project

Adams Street, between Dwight Street Extension and Main Street, Springfield, MA

On behalf of the Springfield Water and Sewer Commission, Baltazar Contractors, Inc., will be performing sewer repairs and rehabilitation on Adams Street, between Dwight Street Extension and Main Street. This work is expected to begin November 6, 2023, and continue through November. Typical construction hours are Monday through Friday from 7:00AM to 4:00PM.

During construction hours, this section of Adams Street will be closed to thru traffic. Access for residents to abutting properties will be maintained. Pedestrian and vehicular traffic will be managed with posted signs and police details.

Sewer pipes being repaired as part of the project date back to 1879. The Commission prioritizes sewer repairs based on age and condition of the pipe and proactively plans maintenance and construction projects.

The Commission appreciates the patience of residents, businesses, pedestrians, and drivers while this important work is performed. Please contact the Springfield Water and Sewer Commission at 413-310-3501 with any questions regarding this project.

END
