

# OPEN HOUSE

## at the new York Street Pump Station

*Celebrate the completion of the \$137M York Street Pump Station and Connecticut River Crossing Project*

*The largest wastewater infrastructure project in the region in decades*

- Tour the original 1938 and new 2023 York Street Pump Stations
- See why we are *Thankful for Our Sewer System* that protects our health and environment
- Learn how the project improves climate resiliency and CT River water quality

## Thankful for Our Sewer System

Light refreshments will be available
