

PIPELINE PROGRAM

Springfield Water and Sewer Commission

WORK BASED LEARNING PROGRAM

Seeking motivated, hard-working 10th, 11th & 12th graders and new high school graduates in Springfield looking to explore career options, gain hands-on experience, improve occupational and technical skills, and serve their community at the region's largest water utility.

EXPLORE CAREER OPPORTUNITIES ACROSS THE COMMISSION

Pipeline Interns will rotate through Commission departments/locations.

Work-based learning activities will take place both outdoors and indoors in a variety of conditions. Walking/being on feet for several hours may be required, including for site visits and tours. Safety gear, including safety boots, hard hat, and vest to be provided.
